General Product Feedback

January – February 2026

⚠ Quality / Sizing Concerns

1. **Quality Concerns**
    i. **Non-Defective Items**: Expected behavior like color fading (Compose) or zipper functionality (Restore Double Zip) left customers disappointed
    ii. **Continuous Drawcord**: Consistent negative feedback; confusion on functionality and some customers even cutting the drawcord

2. **Sizing Feedback (Fit & Consistency Problems)**
    i. **Too Small**: Influx of customers sharing that items are running small; specific call outs include women's swim bottoms and Strato Tech Tee
    ii. **Blissblend Form Sizing**: Customers who typically size down in classic Blissblend confused as to they aren't the same size in Blissblend Form
    iii. **Performance Jogger Fit**: Customers reporting the fit of the Performance Jogger is different than past season, citing "ballooning" at ankles
    iv. **HardKore Short**: Customers & Retail Employees reporting this style fits significantly larger than the classic Kore Short
    v. **Halo Modern Crew**: Negative response to this style replacing Long-Sleeve Halo Crew; customers upset with the differing fit

3. **Clothing Tag Complaints**
    i. Tags are itchy and uncomfortable; customers citing the tags are the antithesis of our soft fabrics
    ii. Customers sharing that the new tag poses the same problem as the original; cutting it out at the indicated line does not improve the issue
    iii. Customers want easier removal, softer tags, or no tags

4. **Unavailable Gear**
    i. **Vuori Ambassadors**: Jack Draper and other Vuori athletes photographed in branded gear that is not available to the public; customers upset they cannot purchase the item that is being worn/marketed
    ii. **Out of Stock Marketing**: Customers frustrated that digital ads pushed out contain out-of-stock items (Sedona Mock Neck & Strawberry Waffle Set)
