Direct cx feedback: No thanks. This is a loss for the both of us. If changes have been made to fits and styles then this will probably be my last Vuori purchase. I’ve loved this brand. However, I became a customer based off of the sizes, fits, and styles that were originally made for these clothes. My purchase was based off my preference of style and fit and it was a waste and inconvenience for me to discover that the styles/sizes have been altered.

General Product Feedback

March + April 2026

⚠ Quality / Sizing Concerns

1. **Clothing Tag Complaints**
    i. Continues to be the #1 negative product-related complaint we receive
    ii. **General Discomfort:** Tags are itchy and scratch the skin; some even going as far as to claim visible irritation or breaking skin
    iii. **Residual Tag Issues:** Customers noting that removing the tag tends to worsen the issue

2. **Sizing Feedback (Fit & Consistency Problems)**
    i. **Sizing Inconsistency:** Customers claiming new products (same style) are fitting differently than older purchases
    ii. **Fit too small:** Customers across both divisions reporting sizing is running smaller than expected

3. **Quality Concerns**
    i. **Sheerness:** Concerns about opacity of Sunset Pink AllTheFeels bottoms
    ii. **Sweat Issues**: Continuing to receive feedback about AllTheForm showing sweat even though marketed as intended for "sweaty" workouts
    iii. **"Cheap" Stratos**: Customers claiming that Strato Tech Tees are now thinner and pill more easily

4. **General Feedback**
    i. **Patch Logo Pushback:** Customers sharing that they are explicitly avoiding products with our patch logo (~450 upvotes on Reddit)
    ii. **Premature Sneak Peek**: Customers frustrated that items in marketing imaging are not available
    iii. **Missing Photo Info**: Customers frustrated that product imaging (Tom Holland Edit, Mother's Day Marketing) doesn't include product name

What Customers Are Celebrating

1. **Long-Lasting Product Durability – Vuori: gear that lasts!**

   Customers sharing their gear has held up through life's adventures

   i. A customer titled their email "Praise for the Performance Jogger" and wrote in specifically to say it had lasted them through years of travel and casual wear

   ii. "Clean Elevation Leggings - very durable!", a customer described an unexpected situation where the leggings held up remarkably well

2. **Love Notes for Vuori**

   Customers reaching out to simply share love for the brand
