EPA PFAS Reporting Update

Impact to Vuori | 美國 EPA PFAS 8(a)(7) 對 Vuori 的最新影響

Updated: 23 October 2026 | 更新日期：2026 年 10 月 23 日

Executive position | 管理結論

No immediate federal PFAS submission is required at this time. The reporting period is deferred, while the proposed exemption for imported articles has not yet been finalized.

目前暫無需進行聯邦 PFAS 正式申報。申報期已延後，但進口成品豁免仍停留在提案階段，尚未正式生效。

1. Key Update | 最新法規動態

- **The PFAS reporting submission period will begin on the earlier of: (a) 60 days after the effective date of EPA's forthcoming substantive revision, or (b) January 31, 2027.**
  PFAS 申報期將於以下兩者較早者開始：(a) EPA 後續實質修訂規則生效後 60 天；或 (b) 2027 年 1 月 31 日。
- **As of 23 October 2026, EPA has not finalized the substantive scope revision.**
  截至 2026 年 10 月 23 日，EPA 尚未完成實質適用範圍的最終修訂。
- **The exemption for imported articles remains proposed, not final.**
  進口成品豁免目前仍為提案，尚未正式生效。

2. Status Comparison | 狀態對照

Topic / 項目	April 2026 understanding / 2026 年 4 月判斷	Current position / 最新狀態
Start date **申報起始日**	Delayed until 60 days after revised rule becomes effective. 預計延至修訂規則生效後 60 天。	Earlier of 60 days after the substantive revision becomes effective or 31 Jan 2027. 以實質修訂規則生效後 60 天或 2027/1/31 較早者為準。
Imported articles **進口成品**	Likely to be exempt. 可能豁免。	Proposed exemption only; not yet final. 僅屬提案，尚未定案。
Vuori action **Vuori 行動**	No immediate reporting activity. 暫無需啟動申報。	No immediate submission; maintain records and monitor final rule. 暫無需正式提交，但應保留資料並持續監控。

3. Impact to Vuori | 對 Vuori 的影響

- **Immediate impact remains low because Vuori imports finished apparel and is not a U.S. PFAS chemical manufacturer.**
  短期影響仍偏低，因 Vuori 主要進口成衣產品，並非美國境內 PFAS 化學品製造商。

- **Vuori should not conclude that finished imported articles are exempt until EPA publishes the substantive final rule.**
  在 EPA 發布實質最終規則前，Vuori 不應直接認定進口成品已獲豁免。
- **Federal reporting timing does not replace or suspend state-level PFAS product restrictions.**
  聯邦申報時程的延後，不會取代或暫停州層級 PFAS 產品禁限用要求。

4. Recommended Position and Actions | 建議立場與行動

Priority / 優先級	Recommended action / 建議行動
Now / 現在	Do not initiate a formal EPA CDX submission. 暫不啟動 EPA CDX 正式申報。
Maintain / 持續	Continue PFAS risk management for DWR, water-, oil-, or stain-repellent products. 持續管理 DWR、防水、防油或防污產品的 PFAS 風險。
Retain / 保留	Keep readily available supply-chain records, test reports, declarations and material information. 保留合理可取得的供應鏈資料、測試報告、聲明與材料資訊。
Monitor / 監控	Monitor EPA's substantive final rule and reassess once the imported-article exemption is confirmed or changed. 持續監控 EPA 實質最終規則，待進口成品豁免確認或調整後重新評估。
States / 州法	Continue monitoring and complying with applicable state PFAS restrictions and reporting obligations. 持續監控並遵守適用的州層級 PFAS 禁限用與申報義務。

5. Approved Internal Wording | 建議內部定調

No immediate federal PFAS reporting submission is required at this time. Vuori should continue PFAS risk management, retain readily available supply-chain records, and monitor the final rule before concluding that imported finished articles are exempt.

目前暫無需進行聯邦 PFAS 正式申報。Vuori 應持續既有 PFAS 風險管理，保留現有且合理可取得的供應鏈資料，並在最終規則發布前，避免直接認定進口成品已獲豁免。
